Ambassador

William Nancarrow
Simulation Assistant, Queensland Health

William (Bill) Nancarrow became involved in powerlifting training in 2000 after a motorbike accident in Townsville. In 2002, he met the team at Sporting Wheelies and Disabled Association in Brisbane and forged a great relationship with the team, attending several state and national competitions over the next few years, building on his strength and forming close friendships. In 2005, Bill had further surgery on his right leg as his hip had deteriorated to the extent that he was unable to walk on it. After some setbacks in 2006, Bill was offered an assistant coaching role at Sporting Wheelies, and the rest is history. Bill has held many assistant coach, coach and team manager positions over his coaching career with some highlights including the Beijing Paralympics and the recent Gold Coast Commonwealth Games. Bill was awarded the Col Marsh Volunteer of the Year a few years ago and Coach of the Year in 2017.

Residents are asked while attending these events to please undertake COVID Safe practices, including; checking in, social distancing, observe good hygiene practices and not to attend if sick.
