

National Geographic

Discover National Geographic books, images, maps, videos and find National Geographic Traveller magazine editions (2010 to present).

Browse and read magazines or search within an issue. Find subjects by expanding the *Explore topics* menu to discover images, articles, books and videos of interest

National Geographic Virtual Library brings together the following:

- National Geographic Magazine Archive, 1888 – current (latest issues are embargoed and not available for 2 months)
- National Geographic: People, Animals, and the World (PAW)
- National Geographic Kids

How to get started:

1. Go to https://infotrac.gale.com/itweb/slq_rlq?db=NGMA

Click on 'For Kids' tab to access National Geographic Kids

Hint: You're logged in when Rural Libraries Queensland & Indigenous Knowledge Centres (top) is visible - library details are not required.

Need more help?

Call your local library and ask staff for details and assistance.
