

GCF Learn Free

GCFLearnFree.org helps people around the world learn essential 21st century skills. All lessons are free and cover subjects such as Microsoft Office, email, reading and math via video, interactive activity and games.

Access over 150 topics to build your computer skills or explore your creativity with design & photography online tutorials. Categories include:

- ⇒ Technology (computer programs, email, Internet, online safety)
- ⇒ Work (career planning, workplace skills, applying for jobs)
- ⇒ Core Skills (everyday life and personal finance)
- ⇒ Reading & Math (learn new words, practice reading skills, expand your math knowledge)

How to get started:

1. On your PC go to <https://edu.gcfglobal.org/en/> - no need to log in or sign up for an account
2. Browse the home page for featured topics or expand topics (top right and centre of screen)

Lessons are designed for a global audience however some examples (such as banking and finance use U.S. situations) are not applicable to Australian circumstances.

No app is available - Firefox, Google Chrome, or Safari are recommended platforms
