 - (b) vegetation overgrowth; and
 - (c) visual pollution resulting from accumulation of objects and materials; and
 - (d) fires and fire hazards not regulated by State law; and
 - (e) community safety hazards; and
 - (f) noise that exceeds noise standards.

3 Definitions—the dictionary

The dictionary in the schedule defines particular words used in this local law.

4 Relationship with other laws¹

This local law is—

- (a) in addition to and does not derogate from laws for pest management, regulation of fires and environmental protection; and

5 Application of part

~~(1) This part does not apply to—~~

~~an animal or plant that is a declared pest under the *Land Protection (Pest and Stock Route Management) Act 2002*² or the *Plant Protection Act 1989*³; or~~

¹ This local law and any subordinate local law made under it do not apply to the extent of any inconsistency with a law of the State or the Commonwealth. See the Act, section 27.

² ~~See the *Land Protection (Pest and Stock Route Management) Act 2002*, sections 36 and 37, regarding the declaration of plants and animals as declared pests for the State or part of the State.~~

³ ~~See the *Plant Protection Act 1989*, section 4, regarding the declaration of pests that are harmful to the growth or quality of crop plants.~~

~~noxious fisheries resources or diseased fisheries resources⁴.~~

~~(2) In this section—~~

~~declared pest see the Land Protection (Pest and Stock Route Management) Act 2002, section 8 and the Plant Protection Act 1989, section 4.~~

~~diseased fisheries resources see the Fisheries Act 1994, section 94.~~

Except as otherwise provided in this local law⁵, this part does not apply to invasive biosecurity matter, as set out in section 48(1) of the *Biosecurity Act 2014*.

Division 2 Declaration of local pests

6 Declaration of local pests

- (1) The local government may, by subordinate local law, declare an animal or plant of a specified species to be a local pest.
- (2) Before the local government makes a declaration under this section, it must consult with the chief executive about the desirability of the declaration.
- (3) A declaration under this section—
 - (a) must be published in a newspaper circulating generally in the local government's area; and
 - (b) comes into force on the date of publication.

- (4) In this section—

chief executive means the chief executive of the department in which the ~~*Land Protection (Pest and Stock Route Management) Act 2002*~~*Biosecurity Act 2014* is administered.

7 Emergency declarations

- (1) This section applies if the local government is satisfied urgent action is needed to avoid or minimise an immediate risk of environmental harm posed by a plant or animal.
- (2) The local government may, by resolution, declare an animal or plant of the relevant species to be a local pest.
- (3) A declaration under this section—
 - (a) must be published in a newspaper circulating generally in the local government's area; and
 - (b) comes into force on the date of publication; and
 - (c) comes to an end three months after the date of publication.

⁴ ~~See the *Fisheries Act 1994*, section 94, regarding the declaration of diseased fisheries resources.~~

⁵ Section 48(4) of the *Biosecurity Act 2014*, allows a local government to provide for the management of invasive animals and plants, whether or not they are prohibited or restricted matter, in its local government area.

- (4) In this section—

9 Power to search for declared local pests

- (1) This section applies if an authorised person wants to enter a property to search for declared local pests.
- (2) After giving reasonable written notice to the owner and the occupier of the property, the authorised person may—
 - (a) enter the property without the permission of the occupier; and
 - (b) take reasonable action to search for declared local pests.
- (3) However, the authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this local law to enter the property, excluding a home on the property, without the permission of the occupier; and
 - (b) may enter a home that is on the property only with the permission of the occupier of the relevant part of the property.
- (4) If the occupier gives permission under subsection (3)(b), the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.

10 Pest control notices

- (2) The specified action may include action to—

⁶ See *Local Law No.1 (Administration) 2011*, section 27, regarding the requirements for compliance notices and the offence for not complying with a compliance notice.

⁷ See the Act, section 140, in relation to the owner's right to enter property where the owner is not the occupier to take action to comply with a remedial notice, and section 141, in relation to an occupier's right to recover amounts incurred to satisfy an owner's obligations.

Division 4 Prohibition of sale and propagation

11 Prohibition on sale

A person must not—

- (a) sell or supply a declared local pest; or

Maximum penalty—50 penalty units.

Part 4 Fires and fire hazards

15 Regulation of lighting and maintaining fires in the open

- (1) This section does not apply to the lighting or maintaining of a fire that is authorised under the *Fire ~~and Rescue~~ Services Act 1990*, unless the authorisation provides otherwise.¹³

¹² See *Local Law No.1 (Administration) 2011*, section 27.

¹³ See the *Fire ~~and Rescue~~ Services Act 1990*, section ~~145A~~⁶³, regarding fires authorised by notification, section ~~65~~^{145C} regarding fires authorised by permit and section ~~69~~^{145G}, regarding notices requiring occupiers to take measures to reduce the risk of fire. ~~For fires authorised by notification under section 63, see the Notification by the Commissioner of Fire and Rescue Service published in the gazette on 6 August 2004.~~

- (2) The local government may, by subordinate local law, prohibit or restrict the lighting or maintaining of fires in the open in the whole, or designated parts, of the local government's area.

Example—

The subordinate local law might prohibit the lighting of fires, or a particular type of fire, in the open, unless 1 or more of the following conditions is met—

- the fire is contained in an approved incinerator;

- the fire is lit and extinguished within a specified time.

- (3) A person must comply with a prohibition or restriction imposed under this section.

Maximum penalty for subsection (3)—50 penalty units.

- (4) A person must not light or maintain a fire if the fire exposes property to the risk of damage or destruction by fire.

Maximum penalty for subsection (4)—50 penalty units.

- (5) However, a person does not commit an offence under subsection (3) or (4) if the person is authorised or required to light or maintain the fire in the performance of duties under another Act.

16 Fire hazards

- (1) This section applies where an authorised person forms the opinion that a fire hazard exists on an allotment.

- (2) The authorised person may, by compliance notice¹⁴ given to the responsible person for the allotment, require the responsible person to take specified action to reduce or remove the fire hazard.¹⁵

- (3) In this section—

fire hazard means—

- (a) anything that, because of its flammable nature, its position or its quantity, exposes property to significant risk of damage or destruction by fire; or
- (b) a thing that is declared to be a fire hazard under a subordinate local law for this paragraph.

Examples of fire hazards for paragraph (a)—

- Live cinders or hot ash that is not enclosed in a fireplace so constructed as to prevent the escape of cinders or ash.
- A substantial accumulation of grass clippings that is liable to spontaneous combustion.
- Dry vegetation that could be easily ignited or other flammable materials.

¹⁴ See *Local Law No.1 (Administration) 2011*, section 27 See footnote 5.

¹⁵ See also the *Fire and Rescue Services Act 1990*, section 69(4)(5G), under which the Fire Services Commissioner can publish a general notification in the gazette requiring occupiers of land to take measures to reduce the risk of fire occurring or the risk to persons, property or environment in the event of fire occurring.

Part 5 Community safety hazards

17 What is a community safety hazard

A *community safety hazard* is—

- (a) a fence or structure on land that, because of its nature or its position, poses a significant risk of causing injury to a person or damage to property; or
- (b) objects or materials on land that are likely to become airborne in periods of high wind in a way that poses a significant risk of causing injury to a person or damage to property; or
- (c) a thing that is declared to be a community safety hazard under a subordinate local law for this paragraph.

Examples of a fence or structure that may be a community safety hazard for paragraph (a)—

- Barbed wire fencing adjoining a public park or reserve or located in an urban area.
- Electric fences adjoining public land.
- An unfenced dam adjacent to a public park or reserve.

18 Power to enter property to inspect for community safety hazards

- (1) This section applies if an authorised person wants to enter a property to inspect it to identify any community safety hazards.
- (2) After giving reasonable written notice to the owner and the occupier of the property, the authorised person may—
 - (a) enter the property without the permission of the occupier; and
 - (b) take reasonable action to inspect the property for community safety hazards.
- (3) However, the authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this local law to enter the property, excluding a home on the property, without the permission of the occupier; and
 - (b) may enter a home that is on the property only with the permission of the occupier of the relevant part of the property.
- (4) If the occupier gives permission under subsection (3)(b), the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.

19 Removal or reduction of community safety hazards

- (1) This section applies where an authorised person forms the opinion that a community safety hazard exists on an allotment.

- (2) The authorised person may, by compliance notice¹⁶ given to the responsible person for the allotment, require the responsible person to take specified action in relation to the community safety hazard to—
- (a) remove the hazard; or
 - (b) reduce the level of risk to persons or property.

Example of specified action that might be required under paragraph (b) to reduce the risk to the community from a community safety hazard—

Securing objects or materials that may become airborne in periods of high wind.

- (3) If, on more than 1 occasion in a 12 month period, the responsible person for an allotment is given a compliance notice under subsection (2), the responsible person commits an offence.

Maximum penalty—50 penalty units.

20 Prescribed requirements

- (1) The local government may, by subordinate local law, prescribe requirements that must be met by responsible persons relating to specified types of community safety hazards located on the owner's land.

Example of prescribed requirements—

- A requirement to place signs on electric fences or barbed wire fences adjoining public land to warn persons of the risk of injury.
- A requirement to install and maintain an electric fence in accordance with appropriate standards.

- (2) A responsible person must comply with requirements prescribed under this section.

Maximum penalty for subsection (2)—50 penalty units.

Part 6 Noise standards

21 Prescribed noise standards

- (1) This section applies if the local government is the administering authority for the *Environmental Protection Act 1994*, chapter 8, part 3B.¹⁷
- (2) The local government may, by subordinate local law, prescribe a noise standard in the whole, or designated parts, of the local government's area by—
- (a) prohibiting the making of a stated noise (for example, by reference to the activity making the noise and the time at which the noise is made);¹⁸ and

¹⁶ See *Local Law No.1 (Administration) 2011*, section 27. ~~See footnote 5.~~

¹⁷ See the *Environmental Protection Act 1994*, section 514, for the making of a regulation to devolve the administration and enforcement of parts of the Act to local governments as the administering authority. The *Environmental Protection Regulation 2008/2019*, section 99/131, devolves the administration and enforcement of noise standards to local governments. Section 109-143 of the Regulation declares local government authorised persons to be authorised persons under the *Environmental Protection Act 1994*, section 445(1)(c). Chapter 9 of that Act provides for the investigation and enforcement powers of authorised persons.

¹⁸ See, however, *Local Law No.1 (Administration) 2011*, section 10(4)(a), regarding conditions of approvals that may authorise an act or omission that contravenes a noise standard.

- (b) stating the section, in the *Environmental Protection Act 1994*, chapter 8, part 3B, division 3, for which the subordinate local law provision is prescribing a noise standard.¹⁹

Part 7 Miscellaneous

22 Subordinate local laws

The local government may make subordinate local laws about—

- (a) declaring animals or plants of specified species to be local pests;²⁰ or
- (b) lighting and maintaining of fires in the open;²¹ or
- (c) fire hazards;²² or
- (d) community safety hazards;²³ or
- (e) prescribed requirements relating to community safety hazards;²⁴ or
- (f) prescribed noise standards for the *Environmental Protection Act 1994*.²⁵

¹⁹ Section 440O(3) provides that a local law that prescribes a noise standard replaces the nominated default noise standard in the *Environmental Protection Act 1994*, chapter 8, part 3B, division 3.

²⁰ See section 6(1).

²¹ See section 15(2).

²² See section 16(3)(b).

²³ See section 17(c).

²⁴ See section 20(1).

²⁵ See section 21(2).
